Work Experience

Ahinko International
Managua, Nicaragua

Frontend Developer — Feb. 2022 - Present

- Led the frontend development efforts as the primary React developer in a project focused on restructuring the entire intern page from one language to another, resulting in a more intuitive and user-friendly experience.
- Conducted thorough code reviews, providing constructive feedback and suggestions to improve code quality, maintainability, and adherence to best practices.
- Single-handedly developed a project using React Native and Expo to deliver a seamless and intuitive user experience.
- Actively participated in team discussions, providing valuable insights and suggestions to improve project workflows, development methodologies, and overall project success.

Applaudo Studios
San Salvador, El Salvador

Frontend Developer Internship — Sep. 2021 - Dec. 2021

- Completed a rigorous frontend development internship, specializing in React, where I gained hands-on experience working with cutting-edge web technologies.
- Demonstrated a strong ability to learn and adapt quickly, rapidly acquiring new skills and effectively applying them to meet project requirements.
- Assisted in the optimization of React applications for performance by implementing code splitting, lazy loading, and other performance optimization techniques.

Kronoscode
Managua, Nicaragua

Full-Stack Developer — Feb. 2021 - Sep. 2021

- Implemented RESTful APIs and optimized database queries to improve application performance and response times.
- Improved performance of a critical project by identifying and resolving bottlenecks, optimizing database queries, and implementing caching mechanisms.
- Demonstrated expertise in React by successfully implementing complex frontend features, resulting in enhanced user engagement.
- Utilized Django ORM for efficient database management, data modeling, and query optimization.

Education

UAM (American University)
Managua, Nicaragua

Bachelor's Degree — 2017 - 2021

- Systems Engineer.

UAM (American University)
Managua, Nicaragua

Project Management — Jun. 2021 - Dec. 2021

- Participated in a hands-on learning experience where we created a product from inception to market.
